

## Thousands to Celebrate “Land of 10,000 Lakes” Quarter

March 30, 2005

### *United States Mint Director and Governor to Launch Minnesota State Quarter*

---

Join United States Mint Director Henrietta Holsman Fore, Governor Tim Pawlenty, celebrities and school children from throughout the State as they officially launch the Minnesota quarter at the State Capitol Building in St. Paul on Tuesday, April 12, 2005 at 11:25 a.m. (as in 25 cents). A quarter exchange will follow the event in which the public may exchange their ten-dollar bills for rolls of shiny, new Minnesota state quarters. Each child will receive a free Minnesota quarter.

On the eve of the Minnesota Quarter Launch, United States Mint Director Henrietta Holsman Fore will also host a Coin Collectors Forum from 6:30 p.m. to 8 p.m. to discuss what the American people would like to see in their coinage. The public and news media are welcome.

The Minnesota quarter-dollar commemorative coin is the second state quarter released in 2005. On May 11, 1858, Minnesota became the 32nd state admitted into the Union, and as such, it is the 32nd coin to be issued in the United States Mint's popular 50 State Quarters Program. The design features a tree-lined lake with two people fishing, a loon on the water, and a textured outline of the State surrounding its nickname, "Land of 10,000 Lakes."
